

**CCPA METRICS**  
**JANUARY - DECEMBER 2023**

|                                                                         | RECEIVED | COMPLETED | DENIED* | DAYS TO COMPLETE |
|-------------------------------------------------------------------------|----------|-----------|---------|------------------|
| CCPA Limit the use and disclosure of my sensitive personal data Request | 29       | 19        | 10      | 28               |
| CCPA Delete Request                                                     | 85       | 66        | 19      | 33               |
| CCPA Correction Request                                                 | 7        | 3         | 4       | 12               |
| CCPA Access Request                                                     | 12       | 12        | 0       | ***              |
| CCPA Do not sell or share my personal information Request               | 4261     | 4261      | 0       | 8                |
| CCPA Data Download Request                                              | 8        | 8         | 0       | 0                |

\* Denied means that the request was not verifiable.

\*\* We do not verify California residency when consumers access our Do Not Sell tool. In addition to meeting our obligations to allow consumers to opt-out of sale of their data, we also allow California consumers to exercise their Do Not Sell rights through third party tools. We do not have metrics available for such requests.

\*\*\* Data is under review.
