Inspired by Kobe's pro journey that began in '96, the Kobe 4 Protro "Draft Pack" embraces the grind to earning your colours.

This mystery box* is available in 1 of 14 colourways. Thirteen start in a white wear-away upper, and every rep works to uncover the primary team colors of those who missed on a legend. Stitched accents and sockliner details round out each team's color scheme. The fourteenth stands alone, fully revealed in bold purple and gold for the forever franchise that got it right.

No matter which colourway you get, you're getting a Kobe 4 Protro that comes equipped to perform. It's been retooled for a smooth, responsive sensation underfoot. Soft yet resilient, the foam midsole and Air Zoom in the heel create a comfortable feel wherever you land.

*The Kobe 4 Protro "Draft Pack" is a randomised, mystery purchase experience. Purchasers will learn which colourway they received upon opening their Draft Pack after purchase. This product is available in one of 14 possible colourways, included in the Draft Pack at random. When you purchase a Draft Pack, you will not be able to choose or identify which colour product you will receive, and there is no guarantee that any particular product will be included. Some colourways are produced in more limited quantities, and odds of receiving any specific colourway are not equal. Colourways are allocated at random prior to purchase. Customers cannot select, inspect or exchange a Draft Pack for a different colourway. Product images represent possible colourways only. Purchases of the Kobe 4 Protro "Draft Pack" are limited to one (1) item per customer.

Final sale item. No returns, refunds or exchanges for change of mind. This policy does not limit or exclude any rights or remedies available under the Australian Consumer Law. See the Terms on [footlocker.com.au](https://www.footlocker.com.au) for more information
