

## What Size Are You?

**BIG KID SIZES:** 3.5-7.5

**LITTLE KID SIZES:** 10.5-3.0

**TODDLER SIZES:** 4.0-10.0

**INFANT SIZES:** 1.0-3.0

Measure your kid's growing feet from the comfort of your own home.

### Before Printing

- Make sure page scaling is set to 'None'
- Do NOT set printing options to 'Fit to Page'

### How to Measure

1. Stand on a hard surface with equal weight distributed
2. Place heel where instructed on the page
3. Point to the first line past the longest toe

### Don't Forget

- Measure both feet before every order
- Snag pairs in the larger of the two sizes

## CHECK FOR ACCURACY

For the right printing size, place a credit card here. If it fits, it's printed correctly.
